1940 Elms

D.S.

To Dr. Kate Vixon Wofford, nationally outstanding in the field of rural education, we dedicate the 1940 ELMS as an expression of our esteem.

To our own Kate Wofford we affectionately offer this ELMS of 1940 as a symbol of our friendship, and in appreciation of her vitality and accomplishments which do much towards enriching the life of this College.

Her earnest desire that student teachers be allowed freedom to work creatively with children, that they be given techniques in the organization and sources of subject matter, and that they be guided to a deeper understanding of children is the basis for her successful work with students.

*Dedicated to
Kate V. Wofford*

In Memoriam **JOSEPH F. PHILLIPPI**

November 14, 1877 to April 9, 1940

We shall miss his kindly smile, inventive mind, and friendly ways. A keen enjoyment in living and working characterized his twenty-six years of teaching here.

Buffalo State Normal School—1914 Instructor in vocational subjects. 1918 Head of mathematics department. 1926 Professor and head of mathematics department.

Buffalo State Teachers College—1927-1940 Professor and head of mathematics department.

Dear Reader:

my creative work, it is said, has begun in ecstasy and ended in despair. In doubt and finished in despair. Yet however stormy were our disturbances, there must be within you, we readers, the subtlest of emotions. Thus will become a notable yearbook as records in words before this. But to follow seldom a yearbook lives the time a yearbook word is an Aladdin's lamp conjures up in the mind from the obscurity of memory.

book.
the pictures are, in their spans, it is more than a charged with the power to a host of reflections, to rouse the quiet ever-attendant of. Beyond the placid pictures of the Slurs are storms of memories -- blow- ing so quietly that only dreams are stirred, yet so strongly that a year is picked from the past and drift- ed back through your life.

Farewell

Helen G. Englebreck

After 29 years of fruitful service to Buffalo State Normal School and State Teachers College, Miss Helen G. Englebreck leaves the Campus with a remarkable record of achievement. Her set of invaluable historical files collected during a lifetime of intense interest in all phases of history will become the possession of the College.

Miss Englebreck's ability to organize materials and her keen enjoyment of life have made her years of teaching significant, and we deeply regret her retirement.

In Memoriam

ROBERT J. LEAHY, IA '41
1919-1939

LESTER M. BONEBERG, IA '42
1920-1939

True, their presence has been taken from us, and to them has been denied the realization of their youthful hopes and dreams. Yet nothing else is lost. They have gone on before in the fullness of their youth, unstained by time, and have left to us a fresh and glowing memory, not marred by doubts or vain regrets.

Pan-Hellenic

The Pan-Hellenic Association is a federation of the women's Greek letter organizations on Campus.

Representatives meet to regulate matters pertaining to the sorority life of the College, to coordinate interests, and to encourage all chapters to take an active and interested part in Campus activities. A wider perspective of problems is achieved through discussion.

The association entertains Freshmen at a reception and tea to assist them in becoming acquainted with sorority girls. Pan-Hellenic Day is sponsored annually in the spring.

Psi Phi

Since its organization in 1923, Beta Chapter of Psi Phi has contributed much to College life. In 1930 Psi Phi presented to the College one clock-face of the bell-tower. Each year the Fraternity distributes the Athletic Schedule and supplies dance records for social activities. Leaders from educational, business, and professional fields speak at meetings.

Sigma Tau Gamma

Rho Chapter of Sigma Tau Gamma Fraternity began at Buffalo State in 1931 as a local group, Alpha Chi. In 1933 it affiliated with the national organization of Sigma Tau Gamma, the oldest National Social Professional Education Fraternity in the United States. Throughout its twenty chapters, Sigma Tau Gamma strives to foster fellowship among men entering the teaching profession, and to help them to advance in scholarship and leadership. Each year the national council awards keys to the two men in each chapter most outstanding in scholarship and activities. An annual project is the distribution of the Social Calendar.

ROBERT P. SCHMIDT

Informal as a friendly letter, the 1940 ELMS offers us College Days as we know them—at their best, worst, and always in their inimitable character. Cohesion through the common medium of pen and inks and an epistolatory theme allows, nevertheless, for a book truly exemplary of varied student talent and inspiration.

Each ELMS from Volume One in 1912 to the present publication reflects the spirit of its times. War and privation in the Old World, triple-letter economies in the New, and yet our own State Teachers College Campus above and over all, mark this ELMS as a product of our generation. It is this year in the life of the College, caught by contemporaries for all time.

Here is the ELMS—read it, enjoy it—it's yours!

Record

The year 1923 marked the inauguration of *The Record* at State as a weekly publication to review College activities, and to act as a forum for Collegiate opinion. Through the years it has developed, not only in form, but also in content and style.
The 1940 Literary-Art Issue, edited by Lucille Beardsley and Arline Schwaneckamp, was published in the spring and contained material representative of the entire College. Record staff members continued the policy of acting as a tie between College activities and the student body, and of reflecting the important aspects of College life.
Special staff meetings and weekly criticism of each Record improved each publication. The 1939-1940 *Record* has tried to be a progressive one. May the coming year find it following the same forward movement.

A student branch of the Association for Childhood Education was organized at Buffalo in 1938 to provide a means for professional fellowship among those interested in early childhood education. The Organization sends delegates to the annual conference of the New York State Association for Childhood Education.

This year the A. C. E. gave Christmas parties at two Emergency Nursery Schools of the city, and, with the Rural Club, sponsored a Book Week exhibit at the College.

One of the oldest organizations of the College, the Club is composed of upperclass women. It tries not only to develop its own appreciation of good music, but also to share its musical enjoyment with others. Through participation in the Christmas play, musical assemblies, the Spring Concert, and outside performances, the Club accomplishes its major purpose.

The Freshman Women's Glee Club invites to membership all girls of the Freshman class who have a love of music and ability in singing. It was established to permit girls of this class to enjoy part-singing and to enhance their musical ability. The Glee Club takes part in many assemblies and recitals, and climaxes its year's work by participation in the annual Spring Concert.

The Y. W. C. A., affiliated with the national organization, has, as its direct purpose, social service. During the College year the "Y" sponsors the Thanksgiving Drive to collect food for the needy, a religious discussion circle, and the Lenten services. The annual "Y" Carnival maintains a student loan fund which may be used by anyone in the College. Camp for Freshman women is a feature of the "Y" year.

The Student Council, reorganized four years ago, is designed to consolidate student opinion on College matters and to formulate recommendations for the improvement of existing conditions. It is based on the principle of mutual understanding and cooperation between students and faculty. Its members are section captains, class officers, and faculty representatives. President and vice-president are elected by the student body.

In November, 1939, the union of all Industrial Arts men into the Industrial Arts Club was arranged by Epsilon Pi Tau Fraternity. The purpose of this new organization is to develop a new spirit of unity in that department, to promote a general understanding of the importance of industrial arts to the total program of education, and to broaden professional aims and ideals among Industrial Arts men. The activities of the Club have included the formation of several hobby groups and the management of Open House Day.

The Orange and Black Varsity Basketball team suffered one of those years of setbacks which beset every basketball team, although State has had few poor seasons.

After dropping a heart-breaker to Fredonia Normal at Kenmore, the team journeyed to Thiel and St. Bonaventure to be nosed out by those colleges.

In the first game on State's home court against Geneseo, basketball stock began to rise when "Popeye" Vivier played a stellar scoring game counting twenty-five points to lead the Orange and Black to a 65-28 victory.

The following week, Allegheny, conqueror of Rochester, who in turn defeated Dart-

mouth and Michigan, came out on the long end of the score.

A much improved Varsity faced Slippery Rock and Niagara in the closing games of the season. After outscoring Slippery Rock for three quarters, a tired State team lost in the final minutes of the game. At Niagara the Varsity didn't get into motion until the second half, when it outscored and outplayed Niagara, but couldn't overcome the lead.

With the Niagara game, Paul Miller, Lou Rosa, Sam Munich, Ken Edmunds, Chet Oleniacz, and Herb Zollitsch all finished their Collegiate Varsity careers, but they will long be remembered for their contributions to athletics at State.

The Junior Varsity, in a short season, met some outstanding foes. In spite of no wins, the valuable experience gained made the season a success. Junior Varsity players are future members of the Varsity, and experience in playing games helps them to develop into finished basketball players.

Insufficient practice, however, hampered the style of the squad and scuttled what might have been a winning percentage. Three of the games were dropped by three points or less, the others by four field goals, and only in the Niagara game were the yearlings hopelessly outclassed by the Niagara Frosh, winners of 20 games this season.

Sam Halpert, Chet Palka, and "Scotty" Cunningham, by their stellar play, show promise of being Varsity material next year.

The Varsity Swimming Team came to the front this year with another successful season tucked under its belt. The swimmers were the only successful sports team on Campus this year, despite the loss of several of last year's stars. In an abbreviated schedule, the team won three meets and lost two.

The team dropped the season's opener to a strong University of Rochester team by the score of 46-19. In the second contest of the year our tankers were left on the short end of the score by a high-gear Colgate team. After two set-backs the State mermen got into stride and defeated Niagara University twice by identical scores of 38-37. The season was brought to a successful close by a victory over Allegheny, 48-17.

Several new stars rose to take the place of

former greats. Dick Temnitz, a newcomer on this year's squad, pleased everyone by placing first in the 200-yard breast stroke in each of the three meets in which he saw action. Bill Kneer, a carry-over from last year's team, won three free-style events in each of two meets to gather valuable points. Others who proved to be point-getters and crowd-pleasers were Grant Wettlaufer, Charles Ambellan, Ross Rowley, Ken Phillips, Bob Isenberg, Dick Vrooman, Herb Hilton, and Rollin Vogan.

This year saw a major upset in the pool as Tom Tierney was defeated for the first time in four years of College Varsity swimming competition.

Joe Zahm and Tom Tierney shared the coaching burden this year, succeeding Urho Saari.

Coach, Hubert E. Coyer; Captain, Joseph J. Romano; Manager, Roger Groth; Assistant Managers, Leonard Lipschitz, Stanley W. Sacha.

After a splendid 1938 season in which State's Varsity Soccer Team achieved renown by spirited victories over Colgate University, McMasters University, Oberlin College, Oswego Normal, Slippery Rock, (Pa.) Teachers, Allegheny College, a tie game with the powerful University of Toronto eleven, and a solitary loss to Cortland Normal, the practice-starved 1939 outfit dropped decisions to three of last season's vanquished, and were decisively defeated by a new opponent, the national contender, University of Rochester.

Highlighting an otherwise dull season was the development of Freshman and Sophomore booters through competition in Var-

sity games to a point where several unknowns will probably be mainstays of next year's Varsity. Of these, goalies Murphy and Sion, who allowed a total of seventeen goals in their rookie season, can be counted upon to allow only a small percentage of those tallies in their second year of big-league competition. Another newcomer who shows exceptional promise is the court-acc, "Corky" Cohen.

State opened its short season at Hamilton, bowing to the powerful Colgate eleven, 3-1. Captain-elect Bob Potter's pass to Charlie Campbell accounted for the lone State goal.

In the second contest at Meadville, the Orange and Black were defeated by the

identical score by Allegheny, with Captain Joe Romano's score on a penalty kick keeping State from a whitewash.

Slippery Rock State Teachers held State scoreless in the only home game of the season, although a cheering crowd of several hundred spectators added spirit and color to the occasion.

Meeting a new opponent, the University of Rochester, on the shores of the Genesee River in Rochester, State suffered its worst defeat in three years, and came out on the short end of a 9-1 score. Chet Oleniacz wound up his Varsity soccer career in a blaze of glory by scoring the only State tally.

Six members of the first team turned in their jerseys for the last time after the Rochester game. Completing one to four years of Varsity competition were former Captain Ray Porter, Jack Finn, Dave Strebe, Norm Schussler, Charlie Campbell, and Chet Oleniacz, all of whom played good soccer. Next year's prospects are hopeful, however, as the holdovers from the 1939 team will be augmented by several Frosh and Intramural stars. Returning to the wars in 1940 will be Captain Joe Romano, Captain-elect Bob Potter, Roland Murphy, Hugh Haslett, Pete Lukashuk, Harold Beal, Irving Cohen, Bill Callan, and others.

Relay Team

In their only appearance of the year, running the Intercollegiate Medley Relay at the 106th Armory Indoor Meet on March 16, the State Relay Squad placed second to the University of Rochester. Other competitors were the University of Buffalo and Millard Fillmore College. On the squad were George Cochern, Paul Bacon, Leonard Wielopolski, Ward Herrman, Maynard Kranz, and Herbert Kaiser. As none of these men will graduate this year, the team as a unit will be able to compete in track meets during the 1940-41 season.

Intramural Sports

Jack Finn, Intramural sports manager, supervised the program which was set up to give everyone who was not on the Varsity teams an opportunity to participate in some athletic enterprise. Among the many sports offered to potential Varsity men were soccer

in the fall, basketball and ping-pong during the winter, and softball, badminton, and swimming in the spring.

Varsity soccer men played on the class teams for experience. As a result, the teams were evenly matched and games were well played. At the close of the season, a three-way tie existed for the championship. The teams that battled for the crown were the Sophomores, Juniors, and Seniors. About 100 men representing the various sections, classes, and departments participated in interclass soccer.

Ping-pong rose to new heights this year. The recreation room was almost constantly in use during noon hours and after classes as a result of the interest and enthusiasm shown by men and women. The annual tournament, held in March, drew a large field of contestants to decide the singles,

doubles, and mixed champions of the Campus. Roger Groth was runner-up in a city tournament held in February at the downtown Y.M.C.A. A squad of State players participated in matches with the University of Buffalo and the Butler Mitchell Boys' Club.

After the Varsity basketball season closed, the interclass basketball teams swung into action to battle for the championship of the College. The Industrial Arts Juniors and the General College Seniors were the favorites in this year's schedule.

Badminton was again played in the spring and was climaxed with a tournament in which singles, doubles, and mixed doubles were entered. An Intramural swimming meet was held on Moving-Up Day, open to State men and women. Interclass softball teams played games that closed a year of sport.

Basketball

This year over one hundred girls were members of section teams. The final tournament held the interest of players and spectators as well. But first came hard work in practice games; then intersection games; interclass games; and, last but not least, the Orange and Black game. The best players reached this standard.

Eighteen section teams participated. After a team lost two games it was dropped from the tournament.

Outstanding section teams taking part were Home Economics Freshmen, Home Economics Sophomores, Junior Section I, Freshmen Section I, and Senior Sections II and III.

The Home Economics Freshmen won. They are: Marian Militello, Phyllis Gifford, Mildred Dragon, Helen Agle, Nancy Smith,

Mary O'Hern, June Fernaays, Jean Gordon, Margery Bennett, Jean Hammersmith, Marjorie Huetter, and Florence Coghill.

Senior winners of the class tournament for 1940 are: Esther Becker, Hilda Cook, Marjorie Lobaugh, Dorothy Johnston, Laura Fisher, Patrina Militello, Margaret A. Miller, Jeanne Fleckenstein, and Marion Passage. For four years of service on the All-Class team, gold block "S" 's were awarded to Jeanne Fleckenstein, Margaret Miller, and Patrina Militello. Gold basketballs for three years on the All-Class team went to Elsie Barr, Helen Bala, Grace Calkins, Anne Gould, Mary Buechner, Esther Becker, Laura Fisher, and Dorothy Johnston.

Isabelle Brammer won the table tennis tournament.

Swimming

Swimming instruction is required of both Freshmen and Sophomores. Freshmen are divided into three classes: beginners, intermediate, and advanced. A variety of strokes is introduced to the students. Perfection of form is sought during at least twenty swims throughout the first year. Sophomores strive for speed, endurance, and diving ability dur-

This year's class started out with twenty-one members. Dorothy Thomas, HE '42, aided Miss Betty Talcott in instructing the class.

Swimming activities culminated in the Women's Swim Meet. Held for the eighth time this year, its special features included diving, free-style, back-stroke, and breast-

ing their sixteen required swims. Various tests are given and records are kept of individual achievement.

Many advanced swimmers of all classes, both men and women, join the Life Saving class. The participants receive Senior Red Cross Life Saving emblems after being tested and passed by licensed examiners.

stroke races, as well as games and relays. Each section performed in the particular event in which it was most capable.

The outstanding performers last year were Beatrice Ehling and Marjorie Duthie. Marjorie Frisbee, G C '43, received this year's swimming award.

Minor Sports

Badminton, a spring sport, still draws big crowds from all classes. Instruction increases the possibility of enjoyment for many. Two large tournaments are run off each year. The winners of last year's doubles were Margaret Noonan and Margery Mason. The mixed doubles was won by Dorothy Moore and John Piatak.

Tennis, played on a small scale because of lack of courts, finds outstanding Jeanne Klocke and Lorraine Cleary, Euphra Lupkiewicz and Ruth Church.

Sophomores, and Seniors comprised the three teams in the tournament which was won by the Seniors. Leading players were: Helen Humphrey, captain of the Seniors, Gerd Steinsholt, Jane Drew, Margaret Dorchak, Zelma Fitelson, Dorothy Gerber, Dorothy Johnston, Marjorie Lobaugh, Mary Griffin, Frances McLaughlin, Marie Hetsel, Zella Grapes, Jeanne Robinson; Euphra Lupkiewicz, captain of the Sophomores, Jeanne Klocke, Marie Pocatta, May Polakov, Barbara Rudolph, Ruth Miller, Beverly

Soccer

Soccer, well established in its second year, was played by over three hundred girls. From all appearances the men seemed to enjoy watching the games as much as the girls liked participating. The Freshmen,

invitation at 6 p. m. was needed to clear the air of flying paddles and balls. A table-tennis tournament was organized and lively competition resulted. Every class was represented

Ricketson, Olga Shaper, Betty Andert, and Jeanette Stall.

Shuffleboard and table-tennis also found many enthusiastic participants. A special

by several outstanding players.

Horseback riding, tobogganing, and skating were also available to those who wished to participate.

Reading, when
you are expected to start
at the beginning, read until
you come to the end and then
stop. But we would say never
stop. Book, live again and again
this year. You with if we have
And to keep you back from
this will draw as easily and
that past year the rote song
We have taken across the Camp-
of friends and the hushed
stands and the lights above
the glaring of the dance,
shadows of the quiet

through
schemed on ending
the present, back into
as pleasantly as you
of the chimes, the laughter
us, the cheers of crowded
melody of the Alma Mater,
the court, and the merging
the echoes of long empty halls
sway of Dms in June and have
fashioned the ending of this
book. Around this end are the
memories of good friends memories
that lead, like the paths of a maze
back throughout this year.
Good luck and Godspeed
